Bayside Cemetery

by Naomi Taub

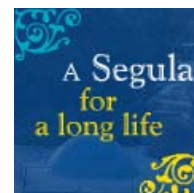

I read Julie Wiener's article, "Has Bayside Buried Its Troubled Past?" (July 17), with great interest since my grandparents are buried in Bayside Cemetery. Her presentation of both sides of this issue seemed fair and evenhanded. I was aghast at the condition of the grounds when I visited the cemetery last year and have followed John Lucker's efforts ever since.

One concept seems to be missing from Ms. Wiener's article. Those families (including mine) who did pay for perpetual care are entitled to know what happened to the money and to find out why it wasn't used for the upkeep of the cemetery.
